LUMINAIRE INVITES YOU TO JOIN US FOR
PAPERLOVE AS WE UNITE FOR THE SINGLE CAUSE
OF CURING CANCER THROUGH ART & DESIGN.

This year, during Art Basel Miami Beach, Luminaire is continuing its unending quest of finding a cure for cancer and will be hosting PAPERLOVE. We will auction one-of-a-kind pieces of art from world-renowned designers, architects and artists with paper as the main medium.

100% of the auction proceeds will again go to fund the Sylvester Comprehensive Cancer Center. We look forward to making a significant contribution toward finding a cure.

Please join us for a private dinner and live auction, conducted by George McNeely, Sr. Vice President, Christie's and selected by our special jury panel.
